## II. GENERAL INFORMATION

Thank you for being a valued participant in the Claremont Forum's Farmers & Artisans Market. Our mission is to bring high-quality agricultural products and local art to our community. Our market serves as a thriving and vibrant gathering place that attracts a dedicated crowd throughout the year.

The Claremont Farmers & Artisans Market (Market) is a Certified Farmers Market (CFM) where Producers and Certified Producers sell agricultural products directly to consumers. The Market is regulated by the Los Angeles County Agricultural Commissioner in accordance with the California Code of Regulations (CCR) Direct Marketing Provisions. To ensure food safety, the Market is also regulated by the County and State Departments of Environmental Health. ***The Market and all Vendors are subject to these Rules and all applicable federal, state, county, and city statutes, rules, regulations, ordinances, and orders.***

The Market provides an outlet for Farmers to sell their agricultural products directly to consumers without meeting the usual size, standard pack, and container requirements for such products. All agricultural products must meet minimum federal and state maturity and quality standards. The Market is committed to local, sustainable, and conventional/ organic agricultural and food production, and supports these values by inviting Farmers who share this philosophy to participate in the Market.

***All Farmers are expected to be familiar with and abide by the provisions of applicable agricultural regulations, health department regulations, and these Rules.***

While state regulations do restrict the sale of nonagricultural items within the CFM area, we do have a special space called the Community Section where up to eight (8) local Artisans are invited every week to showcase and sell their products. ***We kindly request that all Artisans take the time to understand and follow both state and local regulations, as well as these Rules.***

The regulations of the California Department of Food and Agriculture pertaining to Direct Marketing (Article 6.5, Group 4, Subchapter 1, Chapter 3, Title 3 of the California Administrative Code) are hereby incorporated by reference to be part of these rules. The Direct Marketing Program guidelines for administrative civil penalties are also included in the above regulations. The guidelines are intended to gain compliance while providing uniform enforcement action. The Direct Marketing Program promotes fair competition among participants and ensures consumer confidence in the quality and integrity of the CFM's. *Please be advised that violations of Chapter 10.5 of the California Food and Agricultural Code and/or Title 3, Article 6.5 of the California Code of Regulations may result in civil administrative penalties pursuant to Section 47025 and the attached guidelines.*

Once approved, selling privileges at the Market are week-to-week and may be suspended or terminated at any time by the Market Manager. All participating Farmers are expected to be present and sell each day of the Market. Farmers who produce only seasonal agricultural products will be admitted to the Market at the sole discretion of the Market Manager. Farmers must inform the Market Manager at least 48 hours in advance if they are unable to participate. Failure to attend a Market will result in a fine as set forth in Appendix A to these Rules.

All participating Artisans are expected to be present and sell each day that they are scheduled to be at the Market. Artisans must inform the Artisan Coordinator at least 48 hours in advance if they are unable to participate as scheduled. Failure to attend a Market will result in a fine as set forth in Appendix A to these Rules.

*Vendors acknowledge that Market fees, taxes, and fines are subject to change at any time, with or without notice.*

### B. Set-Up & Breakdown

All Vendors shall arrive for set-up between 6:00 a.m. and 7:00 a.m. on Market days. Vendor vehicles must be off the street by 7:30 a.m. All Vendors must be ready to operate before the Market opens at 8:00 a.m. Vendors must begin breakdown and cleanup promptly at 1:00 p.m. and complete breakdown and cleanup before 2:00 p.m. To maintain the look and feel of the Market, no Vendor may begin breakdown and cleanup prior to 1:00 p.m. Vendors are encouraged to help one another during set-up, breakdown, and cleanup.

### C. Traffic Flow & Parking

All Vendors must enter the Market area from Bonita Avenue and exit south towards First Street. All Vendors are required to help maintain an efficient traffic flow by parking against street curves during loading and offloading. **DO NOT** park in the middle of the street while loading and offloading. If no space is available, do not bring vehicles into the Market area until space becomes available. Vendors should offload first and then remove vehicles from the Market area as soon as possible. Place all items on the street and not on the sidewalk, keeping pedestrian areas clear.

**After off-loading in the morning, all Vendors must park their vehicles in Metrolink parking areas only. No Vendor vehicles are allowed to park on streets or private parking lots unless approved in advance by the Market Manager.**

At 1:00 p.m., all Vendors must stop sales and focus on tearing down by stacking all items neatly on the street (again, not on the sidewalks). Do not bring in vehicles until all items are neatly stacked and there is enough room for vehicles to be parked.

***These traffic procedures apply during both setup and breakdown. Please be aware that non-compliance with parking regulations may lead to vendors being unable to continue selling at the Market.***

**D. Dress Code**

All Vendor clothing and grooming must meet prevailing community standards of decency and good taste. Clothing may not be dirty, torn, or excessively worn, and may not display images or text inappropriate for a family audience in a public space. Clothing that is offensive, distracting, provocative, disruptive, contrary to good hygiene, detrimental to a high-quality experience for Market Patrons, or that creates safety concerns will not be permitted. The Market Manager has the sole discretion to determine whether a Vendor's attire or appearance is inappropriate for the Market.

**E. Smoking**

To protect air quality and help ensure the health, safety, and comfort of both Patrons and Vendors, the Market is a 100% smoke-free environment. Smoking is not permitted within 20 feet of the Market. This prohibition covers tobacco, marijuana, and all similar combustible products regardless of delivery system, including vaping, e-cigarettes, e-pipes, and other so-called "smokeless" methods.

**F. Alcohol & Controlled Substances**

The possession, consumption, or sale of alcoholic beverages or controlled substances, or the possession of open containers of alcoholic beverages, are strictly prohibited anywhere in the Market. No one may participate in the Market in any way while under the influence of any intoxicant.

**G. Discrimination & Harassment**

The Market is committed to maintaining an environment free from harassment and discrimination. Any harassment or discrimination based upon an individual's race, ethnicity, national origin, ancestry, color, gender, gender identity, sexual orientation, age, religion, or any other characteristic(s) will not be tolerated. All Vendors must comply with the California Department of Fair Employment and Housing Guidelines on the Prevention of Harassment in the Workplace. Vendors shall promptly report any discrimination or harassment they observe to the Market Manager.

## **H. Health & Safety**

The Market is dedicated to upholding a safe and healthy environment. Vendors are responsible for the well-being and safety of themselves, their employees, coworkers, helpers, and agents, as well as the health and safety of Patrons and fellow Vendors. Vendors must promptly notify the Market Manager of any medical emergencies and report any safety concerns. Vendors acknowledge that neither the Market nor the Forum is liable for the loss or damage of personal property, or for personal injuries, accidents, or illnesses that may occur during Market operations. Vendors, on behalf of themselves, their employees, coworkers, helpers, agents, representatives, and successors, Vendors agree to release, waive, discharge, and indemnify the Market, the Forum, its staff, Board members, and volunteers from any such claims or liabilities.

## **I. Pets & Live Animals**

The only legal exceptions are (1) police dogs on a leash and (2) trained service animals under the control of a handicapped person (usually on a leash or harness).

Note that only dogs can be trained service animals. Any other type of animal might be an "emotional support" animal, but such support animals are prohibited within 20 feet of the Market.

All Vendors are expected not only to obey this law but also to help keep the Market healthy by enforcing it. Vendors have the responsibility to ask Patrons to remove their pets from the Market area or keep pets at least 20 feet away from Market booths. If a Patron refuses, refer the matter to the Market Manager.

## **J. Booth Placement**

Spaces will be utilized to the greatest advantage for the Market. Although the Market Manager will attempt to honor Vendor requests for specific booth space, the Market reserves the right to place or move Vendors as necessary.

## **K. Booth Area**

All booth areas must be safe and free of hazards, including tripping, fire, electrical, stacked objects, and all other. All products, signs, and other items must remain off the sidewalks and customer traffic areas. Tables, displays, and canopies shall not extend into any walkway. Tables and display fixtures must be sturdy and not overloaded to a point where they become unstable. All displays and canopies must be securely fastened; windy conditions might require ten-pound weights to be attached to each canopy leg or, in worst cases, canopies must be removed. All products, tools, fixtures, displays, and other Vendor items must be contained within the assigned booth space during Market hours; if items do not fit in the booth, they must be relocated inside the Vendor's vehicle.

#### **L. Trash**

All Vendors must arrive at the Market with a trash receptacle(s) sufficient to contain all the trash they and their Patrons will generate at the event. At the close of the Market, Vendors are required to thoroughly clean their booth areas and transport their trash to their own dumpsters. Receptacles provided by the Market are for use by Patrons **ONLY**. Other dumpsters, containers, and trash cans in the Market area are private and cannot be utilized by Vendors.

#### **M. SNAP/EBT**

The United States Department of Agriculture manages several programs that benefit local farmers including the Supplemental Nutrition Assistance Program (SNAP) and the Farmers Market Nutrition Program (FMNP) for seniors and recipients of the Special Supplemental Nutrition Program for Women, Infants, and Children (WIC). The Market works to facilitate these programs for the benefit of Farmers, Patrons, and the larger Market community. Farmers shall accept SNAP/EBT \$1.00 tokens bearing the Market logo for the sale of eligible agricultural products. These tokens shall be redeemed by the Market Manager at the end of the Market day during the breakdown period. SNAP/EBT \$1.00 tokens bearing the Market logo may be applied toward any Market fees owed by Farmer; excess tokens will be redeemed in cash. Farmers may not give change to Patrons for the unused portion of any SNAP/EBT \$1.00 token. All WIC and FVC checks must be processed and deposited by Farmers into their own bank accounts. The Market is certified by the WIC/FVC program, however qualified Farmers must obtain certification prior to accepting these checks as well.

#### **N. Market Fees**

1. Farmers/Food Vendors. The weekly space fee for Farmers/Food vendors is due at the end of the Market day during the breakdown period. This fee is computed based on gross Market sales, subject to a minimum space fee, plus a City tax and an Agricultural Department fee, as set forth in Appendix A to these Rules. Each week Farmers must completely fill-out a space fee load sheet, including the business owner's name, farm or business name, and produce or products sold, and submit this to the Market Manager along with their fees for that Market day. SNAP/EBT \$1.00 tokens bearing the Market logo may be applied toward fees owed; excess tokens will be redeemed in cash. Vendors are subject to random on-site audits.
2. Artisans. The weekly space fee for Artisans is due at the end of the Market day during the breakdown period. This fee is a flat fee, as set forth in Appendix A. Artists shall submit their fees for that Market day to the Artisan Coordinator.
3. Vendors acknowledge that Market fees, taxes, and fines are subject to change at any time, with or without notice.

#### **O. Marketing**

1. All Vendors are expected to aid Market special events and publicity via social media and other reasonable means, e.g., contributing recipes and literature.
2. Publicity and Media Consent

- a) Participants agree to grant the Market permission to utilize their images, voice, name, and/or story in any format, encompassing video, print, or electronic media, as deemed suitable by the Market. This usage is in connection with the Market's marketing efforts, consumer education initiatives, fundraising activities, and other outreach endeavors.
- b) The Market reserves the right to share these materials with third parties at its sole discretion, whether through its website, publications, or any other media platform, including social networking websites. The Market also retains full discretion in determining when and how Vendors are promoted in conjunction with Market activities. It is understood by each Vendor that they are not entitled to review or approve versions of these materials before their usage, nor are they entitled to any compensation for their use.
- c) Regarding the use of the Market's name and logo, Vendors are prohibited from utilizing the trademarks, trade names, copyrights, or other intellectual property owned by the Market or Claremont Forum without first obtaining prior written consent from the Market.

## **VI. COMPLIANCE & ENFORCEMENT**

Vendors agree to abide by the rules of the Market as established by the Committee and enforced by the Market Manager, or their designee. Resolution of issues through notice, discussion, and agreement is preferable to formal disciplinary action whenever possible. All warnings and notices shall be documented and kept on file.

### **A. Compliance**

In order to maintain a high-quality Market experience for Patrons and protect the health and safety of Patrons, Vendors, and the public, ALL VENDORS are expected to fully comply with these Rules and with all applicable federal, state, county, and city statutes, rules, regulations, ordinances, and orders. Vendors are responsible for the actions of their employees, coworkers, helpers, and agents. Vendors shall promptly report any illegal, unethical, or dishonest behavior to the Market Manager. Failure to comply may result in enforcement penalties including but not limited to verbal warnings, written warnings, fines, temporary suspension, and permanent dismissal.

### **B. Enforcement**

As the person responsible for the safe and effective operation of the Market, the Market Manager has complete authority to enforce these Rules and their underlying governing principles by imposing whatever enforcement penalty s/he deems appropriate and equitable. Notwithstanding the Market's general preference for progressive enforcement penalties of minor infractions, Vendors are subject to immediate penalties, including temporary suspension and permanent dismissal from the Market, for serious misconduct committed on or adjacent to Market grounds during Market hours, including set-up and breakdown period.

The Market Manager will document all violations and enforcement penalties in the Vendor's file.

### **C. Appeals**

Any enforcement penalty imposed by the Market Manager is presumed to be appropriate and justified, and will remain in effect during any appeal under this section. If a Vendor disagrees with the imposition of a serious enforcement penalty, the Vendor may appeal this to the Forum's Board of Directors. Serious enforcement penalties include only:

1. a fine in excess of the Vendor's total Market fees for the most recent three Markets at which the Vendor was scheduled to participate;
2. a temporary suspension of Market privileges longer than 30 days; or
3. a permanent dismissal from the Market.
4. For the imposition of lesser enforcement penalties (e.g., verbal warnings, written warnings, small fines, and short suspensions) the Market Manager's decision is final and may not be appealed.

The appeal procedure is as follows:

1. The Vendor must submit a written request, by letter or email, to the President of the Forum within 15 days after the enforcement penalty was imposed. The Vendor may directly email the Forum President or any other Board member at [board@claremontforum.org](mailto:board@claremontforum.org). This letter must summarize the relevant facts, outline the reason(s) for the appeal, and state the desired remedy. The Vendor must send a copy of this letter or email to the Market Manager.
2. The Vendor must pay the Refundable Filing Fee set forth in Appendix A to these Rules. If the Vendor's appeal is successful and the enforcement penalty is removed, this Filing Fee will be refunded.
3. The Market Manager will investigate the matter and submit a written report to the President of the Forum within 15 days after the Vendor's request is received. This written report must summarize the relevant facts and outline the reasons for imposing the serious enforcement penalty. The Market Manager must send a copy of this report to the Vendor.
4. The President of the Forum will schedule a one-hour hearing on the matter within 30 days after the Marketing Manager's report is received. The hearing panel will consist of three members of the Forum's Board of Directors, at least one of whom must be an Officer designated as the hearing chair. The President will inform the Vendor in writing of the date, time, and place for the hearing. Reasonable efforts will be made to accommodate all hearing participants' schedules.
5. The Vendor may, but is not required to, attend the hearing and present written, recorded, or testimonial evidence that is relevant and material to the imposition of the serious enforcement penalty. The hearing panel may ask clarifying questions of the Vendor and testifying witnesses.
6. The Market Manager may, but is not required to, attend the hearing. The Market Manager may ask clarifying questions of the Vendor and testifying witnesses.

7. At the conclusion of the hearing, the panel will take the matter under advisement. A written decision will be sent to the Vendor by letter or email within 30 days after the hearing. No decision will be announced at the hearing.
